Catering Overview

Bucci's Restaurant and Catering is dedicated to providing its clients with the best food, service and related components that set the standard for successful events.

The following pages are designed to assist you in planning an event either at your home or business, or at a rented hall or facility. The enclosed menus are a sampling of what we have to offer and we are more than happy to custom plan your menu.

Ordering Procedure

There is no standard amount of notice needed for us to prepare your order for you. Within seven days, we are capable of pulling together even the most elaborate event.

Once you have a couple ideas for your gathering, call or stop in the restaurant, and one of our staff will be happy to work with you in planning your menu.

A la Carte Items

Many times, our customers choose to prepare most of their food themselves, and order only one or two items from us. A la carte pricing is available for everything we prepare: from gnocchi to garlic butter. All you have to do is ask!

Delivery & Set Up

We will deliver and set up catering orders within a 20 mile radius with a \$30.00 delivery fee.

Chafing dishes for serving your food, serving utensils and warmers, to keep any extra food hot, may be rented from us for an additional fee. Please ask one of our staff for the details.

If we have delivered or lent any supplies to you, each piece needs to be returned to the restaurant the next day. Pick-up service for supplies is available for an additional fee.

Payment Information

Initial deposits range in amounts depending on the specific order. Please contact one of our staff for more information. The remaining balance is due the day of your function. At the time of delivery, you will be presented with a final bill. Any payments to Bucci's Catering may be made by cash, check, Visa, MasterCard, American Express or Discover Card. We do not offer house accounts or direct billing.
